## Chong Hing Bank Launches New Relief Measures for Customers

In view of the economic slowdown and coronavirus outbreak, Chong Hing Bank (the “Bank”) announces today the launch of new relief measures to provide support to its personal banking customers during the current difficult time and help relieve the short term liquidity pressure they are facing. The Bank has earlier introduced a suite of relief measures for its SME customers.

From now till 31 July 2020, the Bank’s existing personal banking customers with good repayment records for the last 12 months may enjoy the following three relief measures:

1. **Mortgage principal moratorium for 12 months.** In order to ease the repayment pressure of property mortgage customers, the Bank will offer mortgage principal moratorium for up to 12 months to individual customers under the existing mortgage plan. Only interest payments have to be made during the period, allowing more financial flexibility for eligible customers.
2. **Hire purchase loan principal moratorium against taxi and public light bus for 12 months.** Taxi or public light bus loan borrowers can now apply to defer the principal repayments for up to 12 months. Only interest payments have to be made on the original due date for eligible customers in order to relieve the liquidity pressure.
3. **Extension of hire purchase loan tenor against taxi, public light bus and commercial vehicle.** To meet the needs of eligible customers, the Bank can extend the repayment period of hire purchase loan for specified types of vehicles. The loan repayment period for taxi and public light bus can be extended up to a maximum of 25 years, while the loan repayment period for commercial vehicle can be extended up to a maximum of 5 years.

Chong Hing Bank will closely monitor the development of the situation and consider other measures to provide timely relief to its customers in the challenging economic environment.
