Regulatory disclosures (unaudited) Introduction

The information contained in this document is for Chong Hing Bank Limited ("the Bank") and its subsidiaries ("the Group") to comply with the Banking (Disclosure) Rules ("BDR") made under section 60A of the Banking Ordinance. It should be read in conjunction with the Group's consolidated financial statements. The banking disclosures are prepared in accordance with the BDR and disclosure templates issued by the Hong Kong Monetary Authority ("HKMA"). It has been prepared on a consolidated basis for regulatory purposes which is different from the consolidated basis for accounting purposes. Information regarding subsidiaries that are not included in the consolidation for regulatory purpose is set out in the "Basis of Consolidation section" of the Group's consolidated financial statements.

The approaches used in calculating the Group's regulatory capital and risk-weighted assets are in accordance with the Banking (Capital) Rules. The Group uses the standardised (credit risk) approach to calculate its credit risk. For counterparty credit risk, the Group uses the standardised approach (counterparty credit risk) to calculate its default risk exposures starting from 30 June 2021. For market risk, the Group uses the standardised (market risk) approach to calculate its market risk. For operational risk, the Group uses the basic indicator approach to calculate its operational risk.

A disclosure policy has been put in place for the disclosure of material information (including inside information) relating to the businesses, state of affairs, profit or loss and capital adequacy ratio to the stakeholders and the public in compliance with the disclosure obligations required by the Listing Rules, the Banking Ordinance, the Securities and Futures Ordinance and other applicable laws, rules and regulations. The banking disclosures are governed by the Group's disclosure policy, which have been approved by the Board. The disclosure policy sets out the governance, control and assurance requirements for publication of the document. The banking disclosures are reviewed by independent party in accordance with the Group's disclosure policy.

The Group's Banking Disclosure Statement at 30 June 2021 comprises Pillar 3 information required under the framework of the Basel committee on Banking Supervision ("BCBS"). The disclosures are made in accordance with the latest BDR issued by the HKMA.

According to the BDR, disclosure of comparative information is not required unless otherwise specified in the standard disclosure templates. Prior period disclosures can be found in the Regulatory Disclosures section of our website, www.chbank.com.
